

## wiTECH 2.0 Has been made available to the Aftermarket!

Modified on: Sat, 11 Jun, 2016 at 9:29 AM

All,

wiTECH 2.0 is now available for use on a subscription basis to all aftermarket dealers! In order to use the wiTECH 2.0 application, you must first purchase the wiTECH 2.0 wiTECH microPod System and wiTECH Diagnostic Extender Kit. To purchase these items, please visit [How to purchase a microPOD II \(https://wt2.freshdesk.com/solution/articles/9000074323-how-to-purchase-a-micropod-ii\)](https://wt2.freshdesk.com/solution/articles/9000074323-how-to-purchase-a-micropod-ii).

Once you have received your equipment, please visit the [Starting Guide \(https://wt2.freshdesk.com/solution/articles/9000074593-how-to-get-started\)](https://wt2.freshdesk.com/solution/articles/9000074593-how-to-get-started).

Thanks,

The wiTECH 2.0 Aftermarket Support Team.
